Architectural engineering

The Tallahassee Community College (College) invites proposals to provide architectural / engineering services for minor construction, renovation and remodeling projects as per Section 287.055, Florida Statutes. The selected firms will provide professional services for each individual project up to \$2,000,000 and for each individual study up to \$200,000 for a term not to exceed three years.

The Request for Proposal (RFQ) is issued for the purpose of soliciting proposals from qualified architectural firms to provide architectural / engineering services for minor construction, renovation and remodeling projects at all sites of Tallahassee Community College.

TCC intends to select three firms for projects on Main Campus and other Leon County locations, Gadsden and/or Wakulla County locations. Work will be assigned on a rotating basis. The firms must be licensed general architects in the State of Florida and meet all other requirements as may be required by law.
