

## CLASS OF 2020

### **Amy Stewart Steiner**

Amy Stewart Steiner received her Associate Degree in Nursing from Tallahassee Community College. She then went on to earn her Pediatric Nurse Practitioner, (one of the first Pediatric Nurse Practitioners in the State of Mississippi) from the University of Mississippi and later her bachelor and master's in nursing degree from the University of South Alabama. While in her master's program, she was selected by her professors to receive the Excellence in Practice award.

Amy Steiner started her career in Nursing as a pediatric staff nurse at Memorial Hospital in Gulfport, Mississippi, not far from her hometown of Pass Christian, MS. During her time in the Pediatrics department, she was nominated for and won the Pediatric/Neonatal Nurse of the year from the Mississippi Nurses Association. Amy was later promoted to manager of the Pediatrics Department at Memorial Hospital.

After 17 years In Pediatrics, Amy became the Director of Clinical Support Services at Memorial where she provided leadership to several professional departments within the hospital's inpatient and outpatient settings.

Amy continues to believe that by caring and being kind to patients, students, staff and colleagues, you can make a positive impact on their lives. She recently retired and is proud to have worked in the same hospital system for 44 years.

Amy is married and has two stepsons. She is also a grandmother to 3 children. Amy is currently living in her hometown, on the Mississippi Gulf Coast, in the house where she grew up. She and her husband plan to travel during their retirement.
