

CLASS OF 2016

Stanley James Brainerd

Stanley James Brainerd was one of the earliest graduates of TCC, earning an associate degree in 1970. He went on to undergraduate and law school at Florida State University. Jim spent 10 years each as the vice president and general counsel of the Florida Chamber of Commerce and then the Florida Association of Insurance Agents. At both organizations he was responsible for legislative issues. Jim now has his own law firm specializing in lobbying and holds the designation of certified professional lobbyist from the

Florida Association of Professional Lobbyists.

Jim served on the former TCC alumni association board of directors for 10 years, including a term as president. During the College's 40th anniversary celebration, he was instrumental in securing more than \$50,000 in funding for the event as vice president for resource development of the association's board.

We are pleased to induct Stanley James Brainerd into the TCC Alumni and Friends Hall of Fame.
